## INVITATION TO CANADA/USA MATHCAMP 2019

April 17, 2019

Ruiyan Huang  
Songling ave. Wujiang dist.  
Suzhou 215000  
China

Dear Maggie,

Congratulations! You have qualified to attend **Canada/USA Mathcamp 2019**, to be held from June 23 to July 28, 2019 at **Lewis & Clark in Portland, Oregon USA**. We received hundreds of applications this year, from all over the world, and the caliber of the candidates is exceptional. Even among this incredibly competitive pool, yours was one of the applications that impressed us the most!

As the great mathematician G.H. Hardy said, mathematics is a young person's game. This summer at Mathcamp, you will learn about areas of math you probably did not even know existed; you will meet mathematical researchers passionate about sharing their work; you will experience what it's like to do real mathematics; and you will become a part of a vibrant mathematical community – friends and mentors who will stay with you for years to come. We look forward to seeing you at Lewis & Clark.

Sincerely,

A handwritten signature in cursive script that reads "Marisa DeBowsky".

Marisa DeBowsky  
Executive Director, Canada/USA Mathcamp
