Dear Huang Ruiyan 黄睿妍:

We have been very impressed by your performance at UWC Changshu China over the past several months and we are nominating you to UWC Pearson College to continue with the IB diploma years for the 2019-2021 IB cycle.

The UWC nomination details below outline estimated financial obligations. Please understand that your estimated financial obligation as noted in this letter is final and that neither the UWC China Joint Selection Committee, nor UWC Pearson College, will re-evaluate it. **The Committee's decision to offer a place at UWC Pearson College is also final and the Committee will not consider assigning you to a different UWC.** If you have been offered any financial assistance that assistance will not change for your second IB year.

UWC Nomination	Estimated Fees per Annum (including tuition fees and boarding):	Family Contribution	Needs Based Financial Assistance
UWC Pearson College	CAD 57200	CAD 57200	CAD 0

Please note that this nomination is subject to the review and final approval of UWC Pearson College. If the college accepts our nomination, the college will send you an official acceptance package sometime between **May and mid-June** with more details.

The fees estimated in the table above are based on information provided to us by UWC Pearson College for the 2018-2019 academic year. The college will confirm with you the final figures for the 2019-2020 fees. All tuition and boarding fees are expected to remain the same for each of the two IB years. In addition, you should also keep in mind that you will need to pay for your airfare, pocket money and other costs chargeable by the college. The college will notify you of those charges on acceptance, but typical fees at most UWCs, including miscellaneous expenses, include:

- Health Insurance (\$800 per year, on average, for overseas UWCs)
- IB math calculator (\$120)
- Midyear break travel and other expense (varies)
- Project week expense (varies though usually there are affordable options)
- Pocket money (varies)
- Miscellaneous (for example one-time, refundable room deposit, \$200)

Again, the college will inform you of these additional expenses in your admission packet. The above are just estimates based on a typical UWC's non-tuition and board-related fees.

In order to secure your place, you may be required by the college or the UWC National Committee of China to make a non-refundable deposit of a quarter of the annual Family Contribution amount above within 10 days of receiving your official acceptance package from UWC Pearson College. If you later do not enrol at the college then your deposit will be forfeited.

Before accepting this nomination, please carefully discuss the aforementioned fees and other financial obligations carefully with your parents to make sure that you can afford the fees.

Should you fail to make timely payments then UWC Pearson College will likely withdraw you from the school.

Please also note that your successful enrolment at the college is subject to various procedural requirements such as successful visa and residence permit applications, passing medical exams, and any other requirements of the college. It is your own responsibility to apply for your passport, visa and residence permit to attend the college. The Committee does not have the expertise to help you in these matters, but the UWCs provide instructions in new student information packets/emails. The immigration processes can be lengthy, so keep summer plans very flexible. While you are waiting for your acceptance package from the college we suggest that you get your passport and start investigating what other documents are required for visa and residence permit requirements now. Once you receive the official acceptance package from the college, you may then start the immigration procedures immediately.

Please note that it takes time for the UWCs to prepare your visa application material as well. You may need to wait as long as June to receive the packet. Please be patient.

Please print **ALL THREE** pages of this letter, sign and ask your parents to sign at the bottom of the letter, scan **ALL THREE** pages and email the pdf or image to our email address below by no later than **Thursday 17:00 pm, March 7**.

In addition, you must also complete the attached Nomination Form and Declaration Form. Please complete all sections **except Section 3** and make sure to provide the Parent/Guardian signature for Declaration Form. Then please email the two completed forms to our email address below by **Thursday 17:00 pm, March 7**. We will complete Section 3 after you send them to us and then we will send the Nomination Form and Declaration Form to the college.

**If you fail to complete the above requirements by Thursday, March 7, we will assume that you are no longer interested and we will offer this valuable opportunity to another student. In the months leading to your graduation from UWC Changshu China's Foundation Programme, if you fail to live up to the same high standards that led to this nomination, UWC Changshu China will contact UWC Pearson College, which will likely, in turn, rescind your offer. Should that very unfortunate situation occur, you will not be invited to any other UWC, including UWC Changshu China, for the IB years.**

We will miss you but are excited that you will continue your UWC journey at UWC Pearson College.

If you have any questions, please email us.

Yours Sincerely,

UWC China Joint Selection Committee
