

How to Lobby

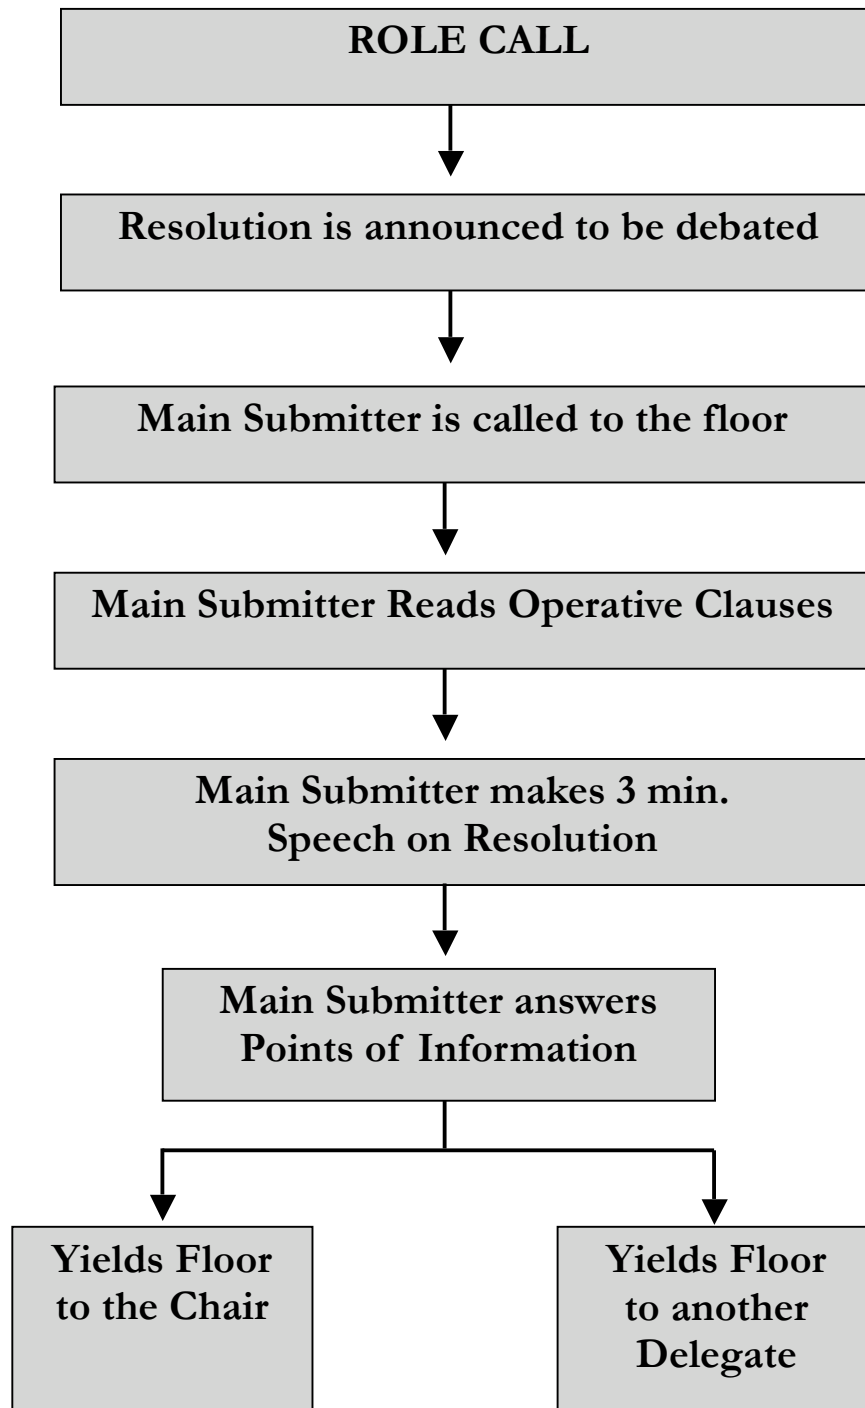

The Approval Panel Process¹

Foot Notes:

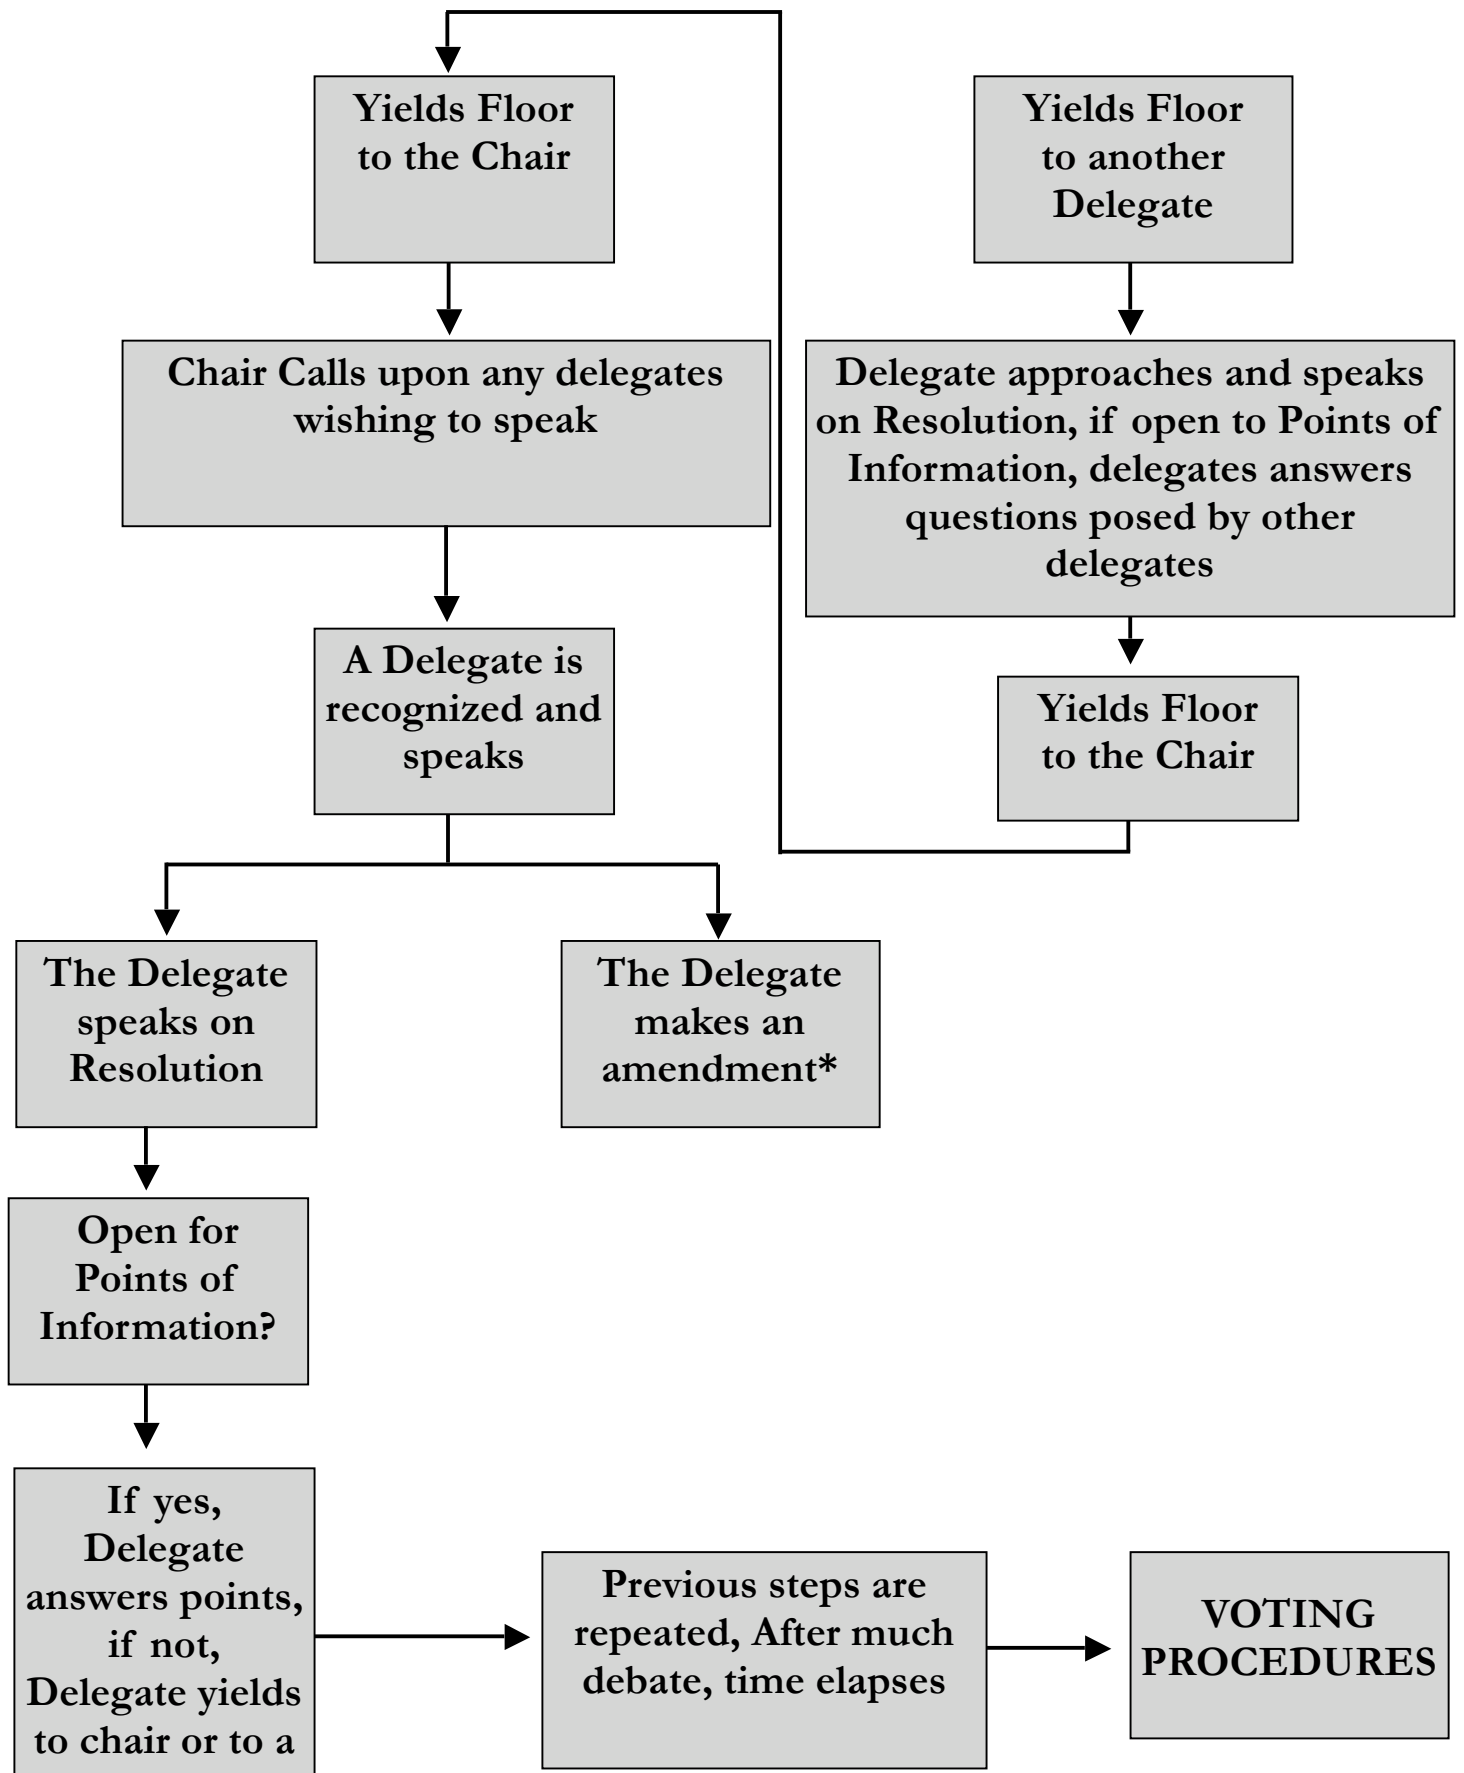

¹ The Approval Panel is run by MUN Directors from other schools that help at the conference for the purpose of checking through resolution for compliancy with the UN Charter, Plagiarism and Correct Resolution Formatting

How Debate Works¹

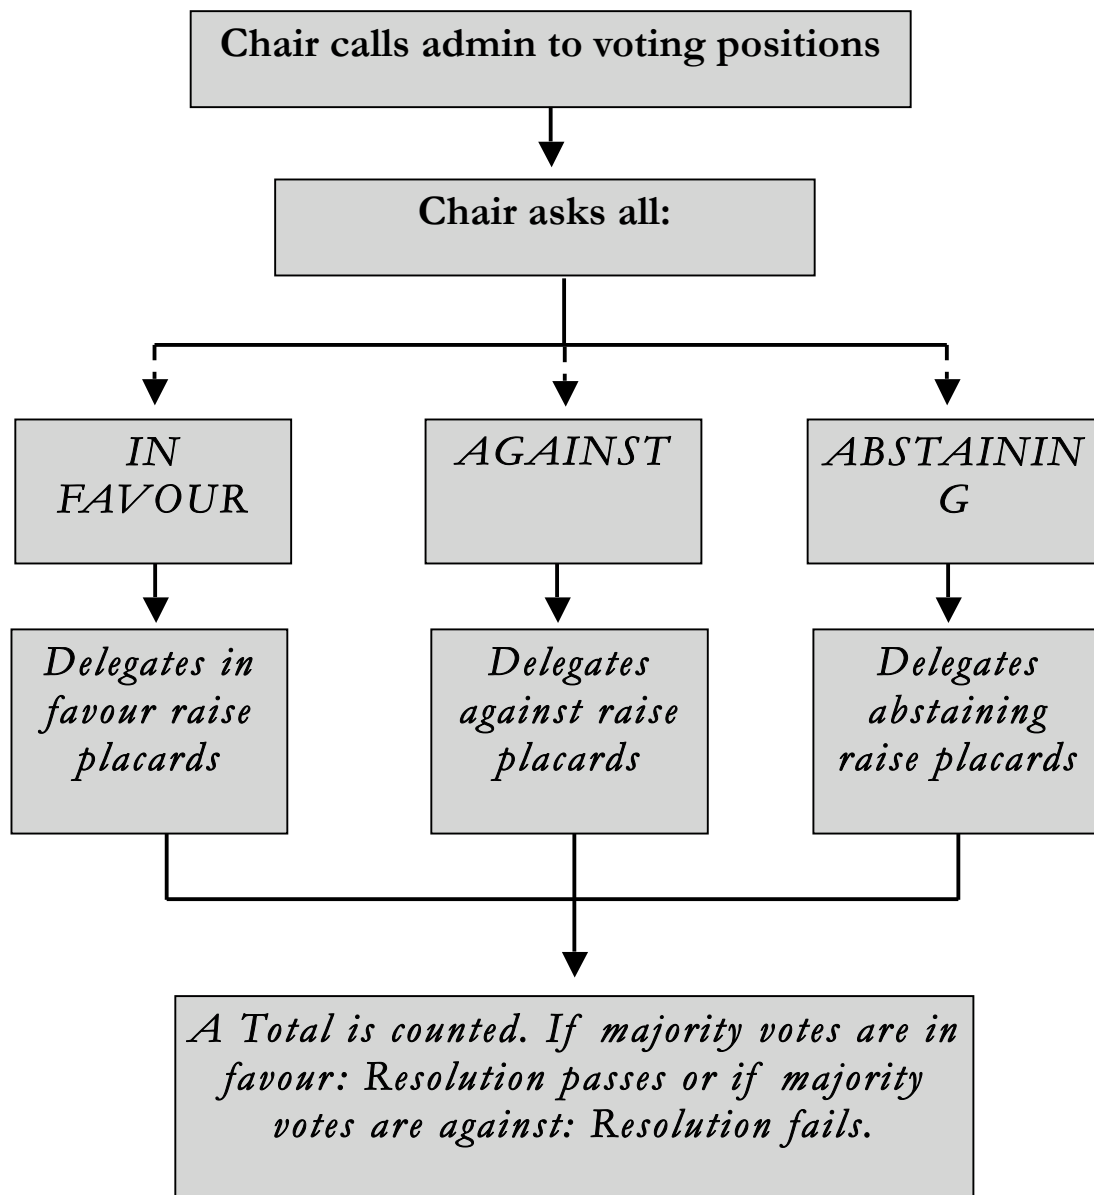

Foot Notes:

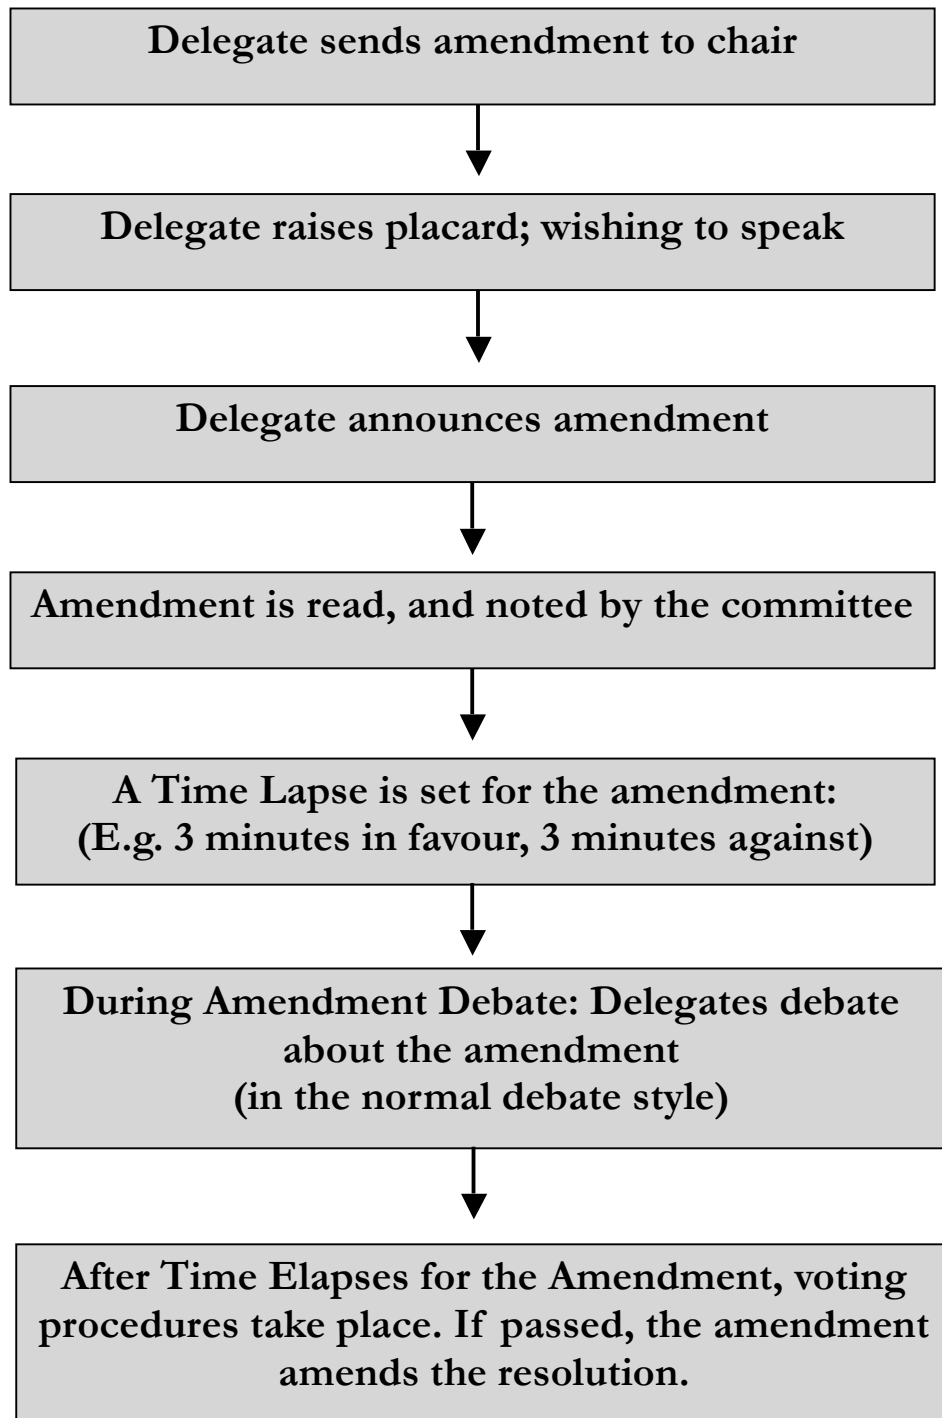

¹Debate during an MUN Conference is done in the third person, meaning addressing others, yourself and the chair are all said without the use of: "I", "you", "we", "you all" etc.

Voting Procedures

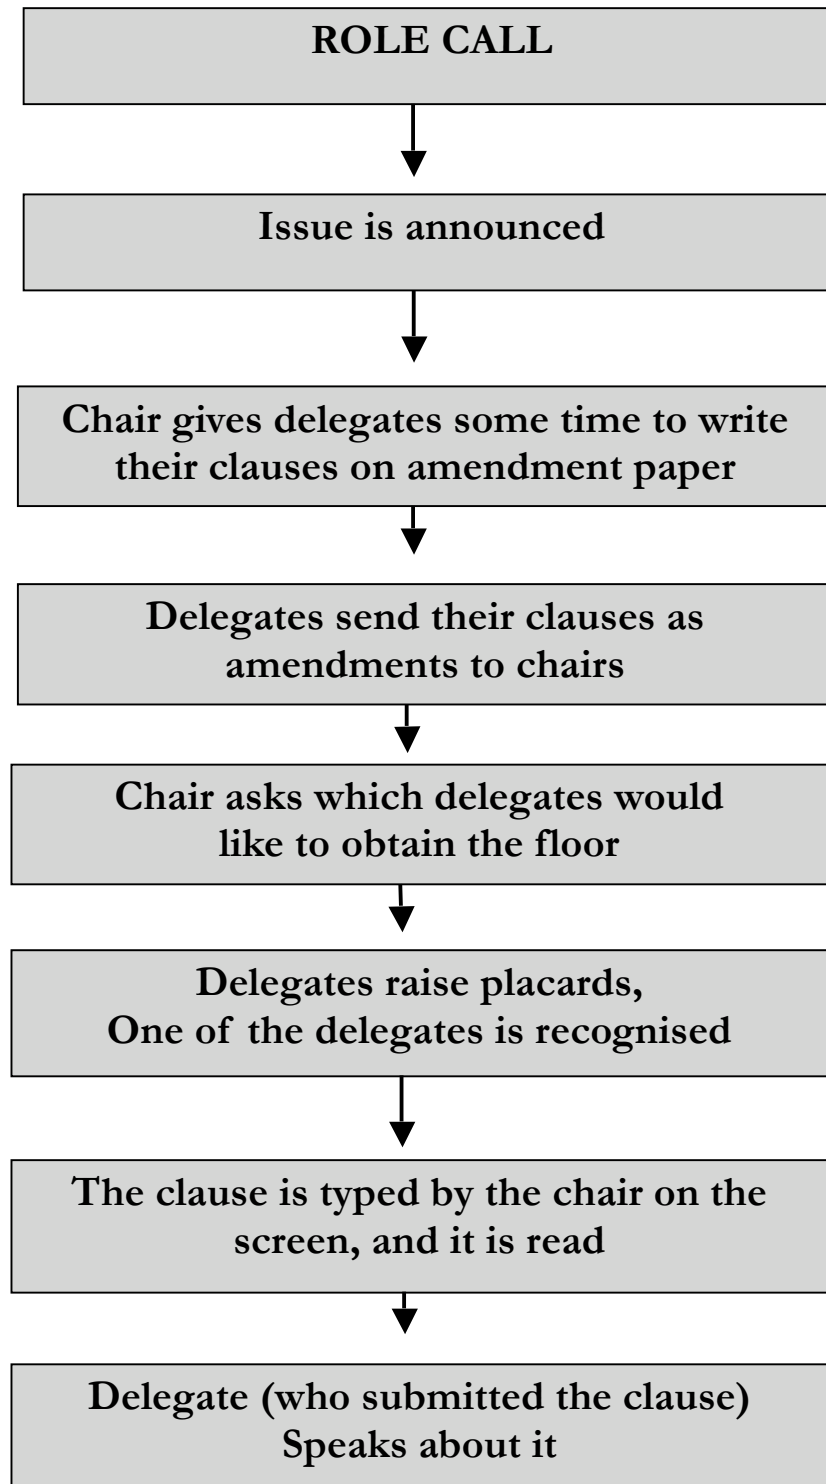

Amendments¹

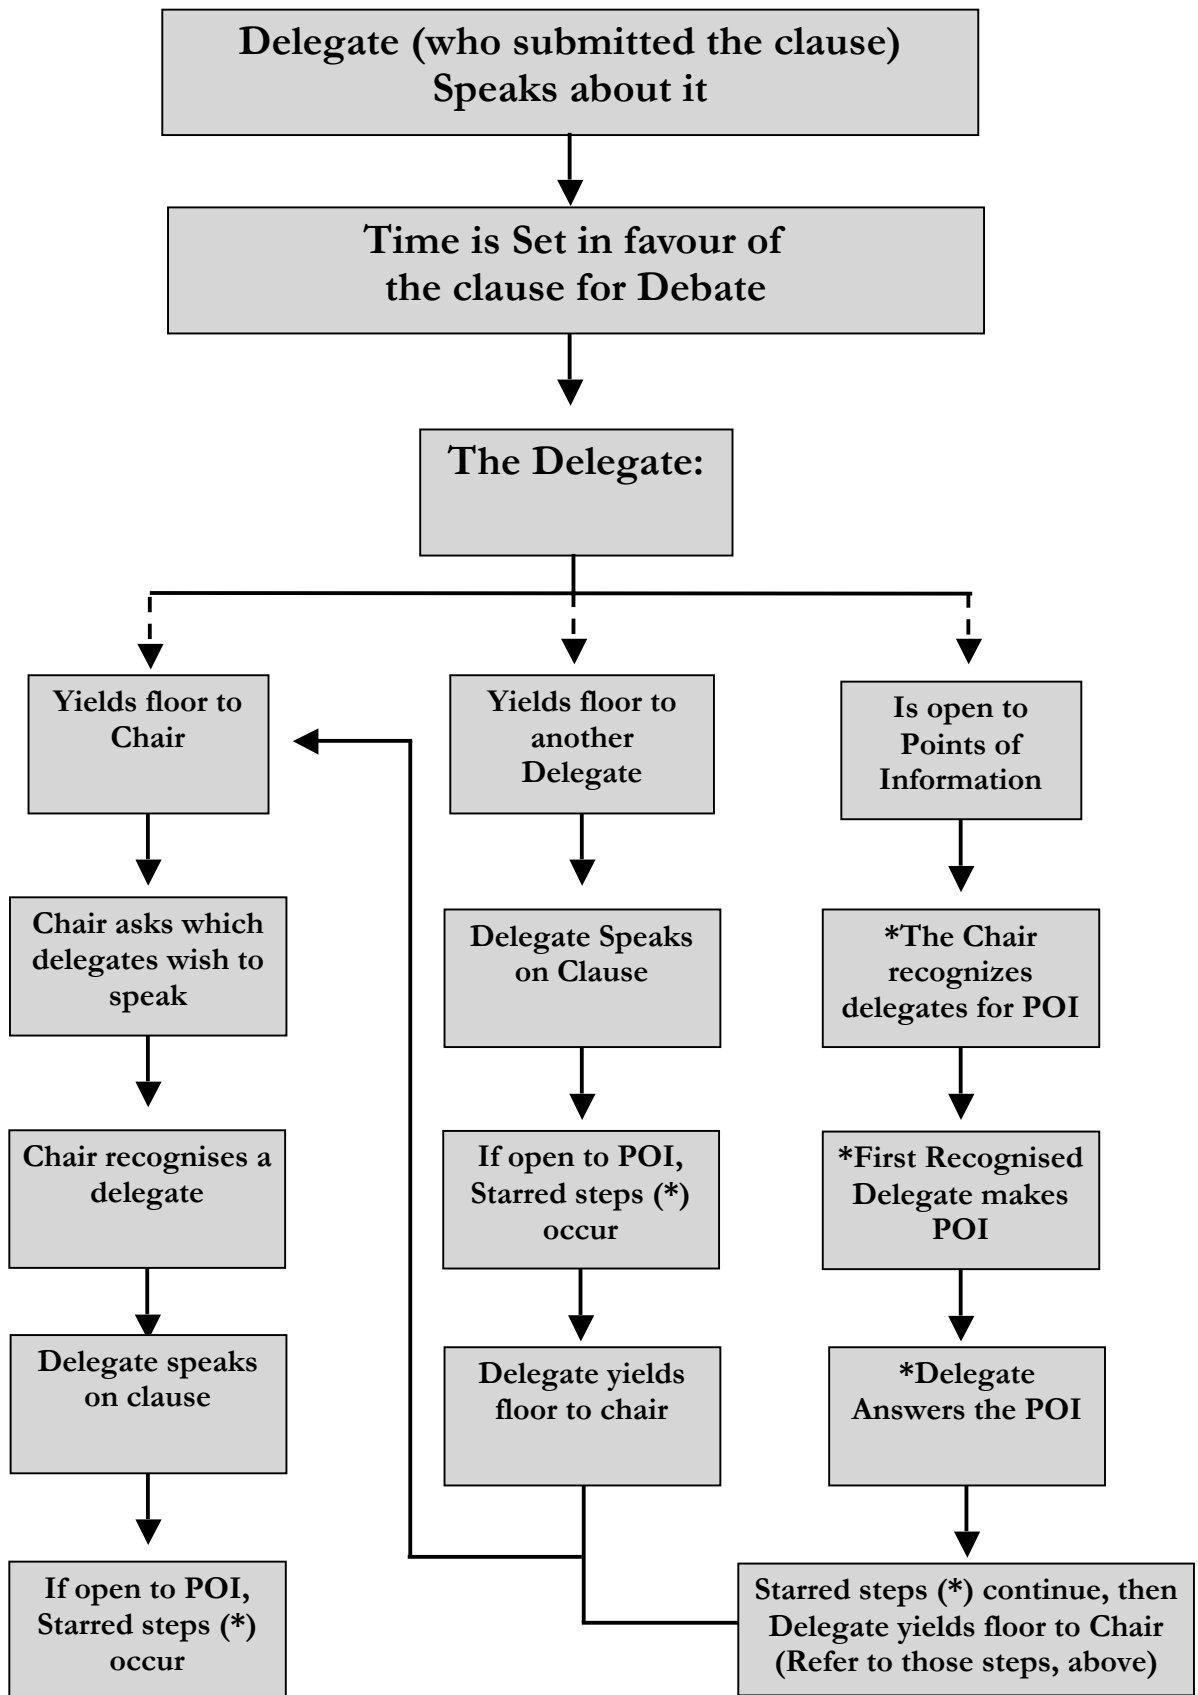

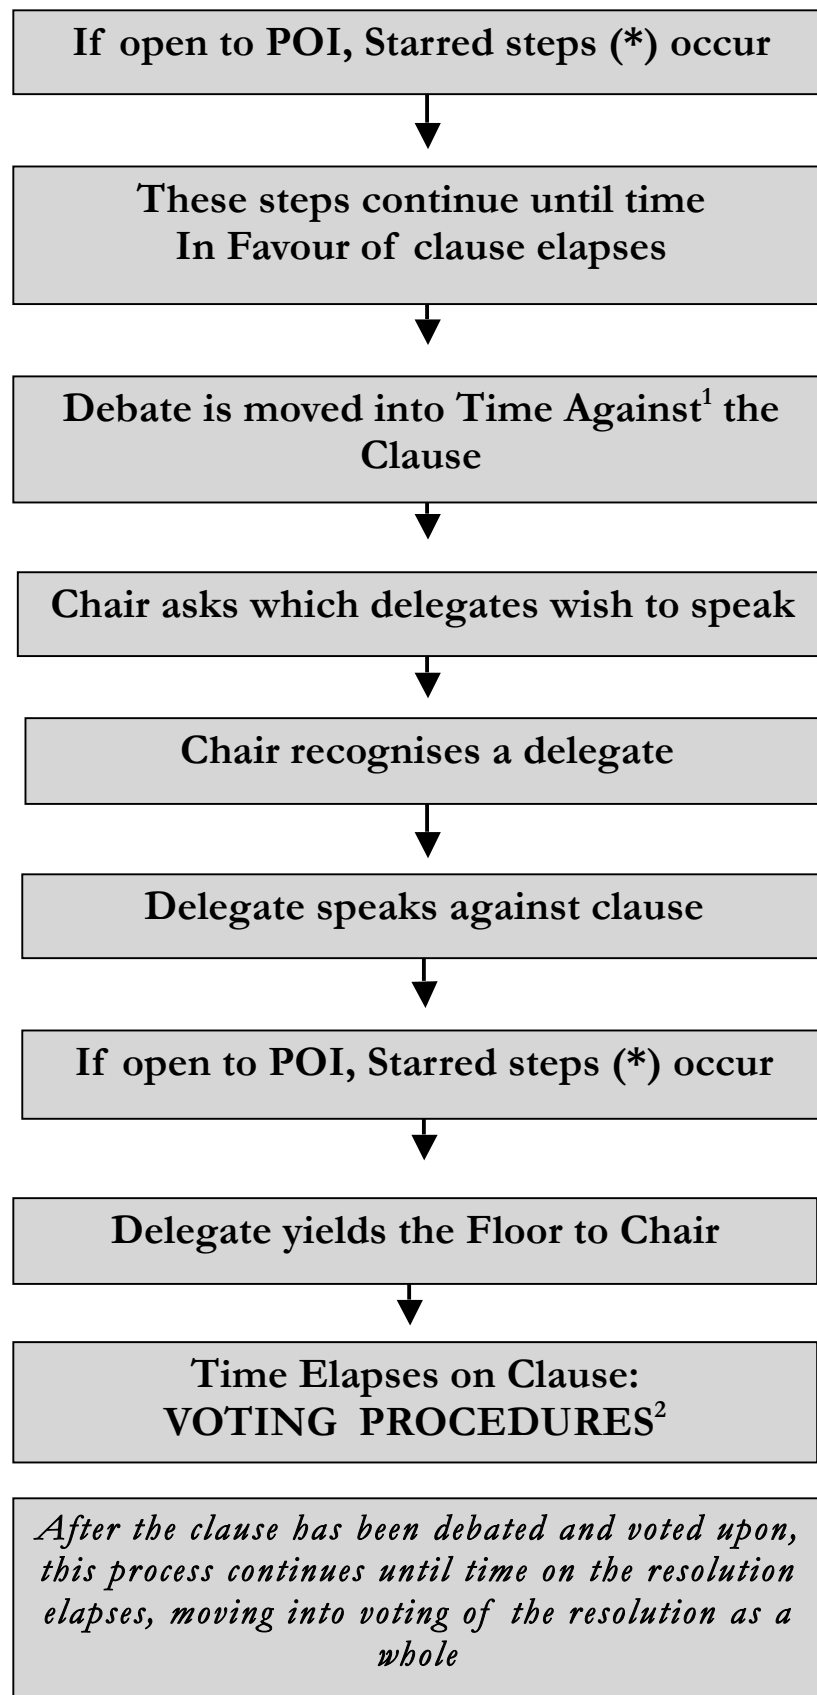

Foot Notes:

¹ Amendments are improvements to a resolution; these are sent to the chair in an amendment paper, and they are debated.

How Debate at Ad Hoc Committees Works

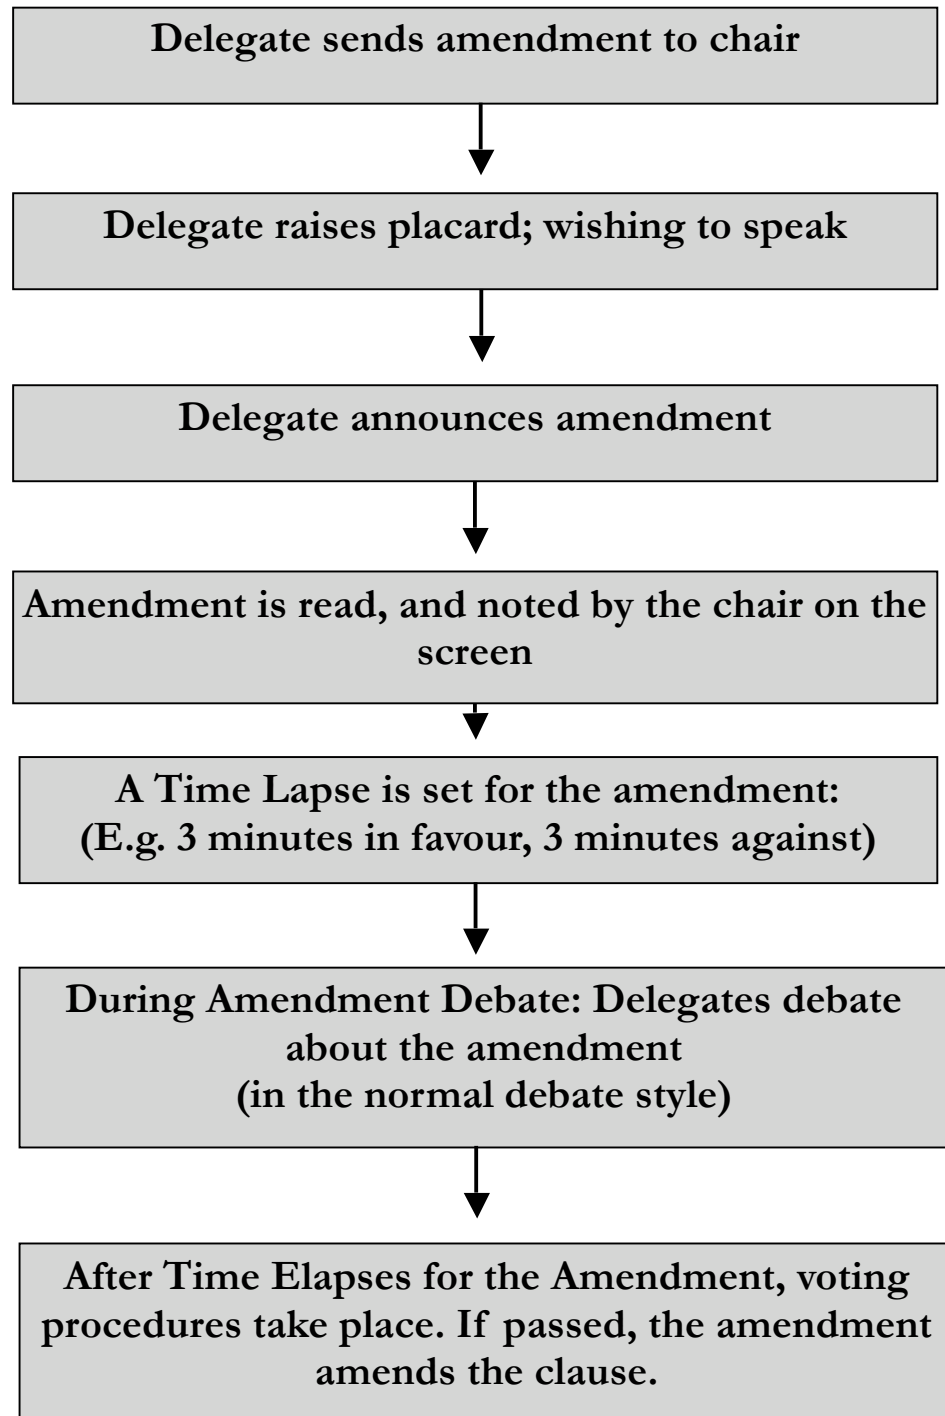

Foot Notes:

¹ Amendments can only be submitted to amend clauses in Time Against a clause

Amendments¹ in Ad Hoc Committees

Foot Notes:

¹Amendments are improvements to a resolution; these are sent to the chair in an amendment paper, and they are debated.

Voting Procedures in Ad Hoc Committees

Please note: when in the Security and are a P5 Member, if you're unhappy with the clause, instead of vetoing it, try:
Amending the clause with Amendments
Abstaining when voting on the clause if you are unhappy with it, but don't mind if it remains in the resolution

It is suggested that P5 members should veto clauses if they are destructive to the issue and cannot be made better by amendments.
