

Extended Home Service

Note: Conduct a small presentation of UWC College to the organization you are working in, to spread UWC value.

60-80 hours of service

Ideally, contribute to the **home community**;

If not possible, volunteer in the community where you spend your break.

Volunteer with public/ **non-profit** organizations that share similar goals to those of the UWC.

Ex: Queens Mary hospital in Hong Kong

Ex: Spring Rain Ecological Club in China — started an initiative concerning the invasive species in the area (field work and awareness)

5 steps:

1. Research
 - make inquiries with organizations of interest to see if volunteering is a possibility
 - or, use people. Ask your parents, relatives, etc.
 - have several organizations that you are calling
2. Set up volunteering work
 - verify, time, and task
3. Submit proposal due end of April
 - fill out the extended home service planning form.
 - talk to Paul, tell him you've submitted it.
4. Volunteer
 - have the organization sign the confirmation form and upload to the student portfolio.
5. Reflection
 - upload photos and videos
 - journal form reflection
 - a final presentation
