**Student and Parent/Guardian Commitment to the Program**

As the recipient of this place I will be my country's ambassador to Pearson College. It is my objective to add to the College community in constructive and responsible ways while a student, and as an alumnus to maintain an active interest in both UWC Pearson College and the UWC movement.

I am aware that Pearson College is committed to expanding the provision of scholarship opportunities for young people around the world and I acknowledge that I have an active and positive role to play in the development of this program. In taking up my place at Pearson College, I understand and agree to:

1. write to scholarship provider(s) outlining personal and academic goals and progress in relation to the UWC mission.
2. demonstrate through my actions, support of the mission and values of Pearson College and the UWC movement.
3. read and fully understand the information provided to me by Pearson College, and in particular comply with all rules and codes of conduct, in particular, the "learning to live responsibly" section in the "Student Handbook 2019-2020".
4. commit to the full two year program.
5. make my best effort in my studies and activities (at Pearson College, effort does not refer only to attainment of grades achieved, but to working to the best of my ability and actively engaging in the full Pearson College experience).
6. contribute to the cultural diversity that is Pearson College.

I understand that my two-year place at Pearson College represents the beginning of a lifelong commitment to the UWC movement and all that it stands for. In order for future young people have the unique experience of a UWC education, I will seek ways of involving myself with the movement beyond school and university life. This may take the form of assisting my national committee, promoting the UWC movement and Pearson College, and making an annual financial contribution to scholarship funding.

I, Ruiyan Huang (name of student) have read and fully understood my commitment to my Pearson College place and will honour this commitment in spirit and in action at all times. Specifically, I agree during my two years not to purchase or consume illegal drugs, alcohol or to smoke. I am aware that it is illegal to distribute alcohol to anyone under the age of 19 in British Columbia and such an action may result in my dismissal from the College. I understand that Pearson College reserves the right to contact my parents / guardians regarding any academic, behavioural or health concerns.
