CHAPTER 21 - CONSTRUCTING SCATTER DIAGRAMS
TI-84 Plus

To construct a scatter diagram of the data below:

x	40	53	20	65	35	60	85	49	35	76
y	11	15	2	20	4	22	30	16	27	25

We first enter the x values into **List 1** and the y values into **List 2**.

Press 2nd Y= (**STAT PLOT**) **1**, and set up **Plot 1** as shown. Press ZOOM **9:ZoomStat** to draw the scatter diagram.
